Keynote Speaker

Dr Omar Djoandy is the Executive Director of SIM (Serving in Mission) Australia and brings a rich and varied background and a passion for mission. Omar was born into a Chinese family in Indonesia and raised in Australia. He qualified in medicine at the University of NSW in Sydney before going to Nairobi where he completed a Master of Divinity. There he joined the pastoral team of Nairobi Chapel and also met his wife, Kay, from Oklahoma. They have three children - Eric, Rachel and Stephen.

CANBERRA MISSIONS MARKETPLACE

17 October 2009

Village Marketplace

Our goal is to bring together missions minded Christians from the Canberra region and beyond to fellowship and network together. We see this as an excellent opportunity to encourage one another in our mission and outreach endeavours and be inspired and challenged through our keynote speaker's message.

There will also be an opportunity to connect with a number of mission agencies and other organisations with an outreach focus.

The afternoon and evening's program will be designed to encourage meaningful fellowship and fruitful interaction in a relaxed environment.

The conference is a ***Mission ACTION Network*** event. The aim of the Canberra Mission ACTION Network is to connect mission minded people across Canberra, enabling us to share ideas, resources, events, and enthusiasm. Hence we are keen to attract mission minded Christians from all Christian denominations to this conference.
